[Verse 1]

I walked through the door with you, the air was cold

But something 'bout it felt like home somehow

And I left my scarf there at your sister's house

And you've still got it in your drawer, even now

Oh, your sweet disposition and my wide-eyed gaze

We're singing in the car, getting lost upstate

Autumn leaves falling down like pieces into place

And I can picture it after all these days

[Pre-Chorus]

And I know it's long gone and

That magic's not here no more

And I might be okay, but I'm not fine at all

Oh, oh, oh

[Chorus]

'Cause there we are again on that little town street

You almost ran the red 'cause you were lookin' over at me

Wind in my hair, I was there

I remember it all too well

[Verse 2]

*Photo album on the counter, your cheeks were turning red
You used to be a little kid with glasses in a twin-sized bed
And your mother's telling stories 'bout you on the tee-ball team
You taught me 'bout your past, thinking your future was me
And you were tossing me the car keys, "fuck the patriarchy"
Key chain on the ground, we were always skipping town
And I was thinking on the drive down, any time now
He's gonna say it's love, you never called it what it was
Til we were dead and gone and buried
Check the pulse and come back swearing it's the same
After three months in the grave
And then you wondered where it went to as I reached for you
But all I felt was shame and you held my lifeless frame*

[Pre-Chorus]

*And I know it's long gone and
There was nothing else I could do
And I forget about you long enough
To forget why I needed to*

[Chorus]

*'Cause there we are again in the middle of the night
We're dancing 'round the kitchen in the refrigerator light
Down the stairs, I was there*

I remember it all too well

And there we are again when nobody had to know

You kept me like a secret, but I kept you like an oath

Sacred prayer and we'd swear

To remember it all too well, yeah

[Bridge]

Well, maybe we got lost in translation

Maybe I asked for too much

But maybe this thing was a masterpiece

Til you tore it all up

Running scared, I was there

I remember it all too well

And you call me up again just to break me like a promise

So casually cruel in the name of being honest

I'm a crumpled up piece of paper lying here

'Cause I remember it all, all, all

[Verse 3]

They say all's well that ends well, but I'm in a new Hell

Every time you double-cross my mind

You said if we had been closer in age maybe it would have been fine

And that made me want to die

The idea you had of me, who was she?

A never-needy, ever-lovely jewel whose shine reflects on you

Not weeping in a party bathroom

Some actress asking me what happened, you

That's what happened, you

You who charmed my dad with self-effacing jokes

Sipping coffee like you're on a late-night show

But then he watched me watch the front door all night, willing you to come

And he said, "It's supposed to be fun turning twenty-one"

[Chorus]

Time won't fly, it's like I'm paralyzed by it

I'd like to be my old self again, but I'm still trying to find it

After plaid shirt days and nights when you made me your own

Now you mail back my things and I walk home alone

But you keep my old scarf from that very first week

Cause it reminds you of innocence and it smells like me

You can't get rid of it

Cause you remember it all too well, yeah

Cause there we are again when I loved you so

Back before you lost the one real thing you've ever known

[Post-Chorus]

It was rare, I was there

I remember it all too well

Wind in my hair, you were there

You remember it all

Down the stairs, you were there

You remember it all

It was rare, I was there

I remember it all too well

[Verse 4]

And I was never good at telling jokes, but the punch line goes

"I'll get older, but your lovers stay my age"

From when your Brooklyn broke my skin and bones

I'm a soldier who's returning half her weight

And did the twin flame bruise paint you blue?

Just between us, did the love affair maim you, too?

'Cause in this city's barren cold

I still remember the first fall of snow

And how it glistened as it fell

I remember it all too well

[Outro]

Just between us, did the love affair maim you all too well?

Just between us, do you remember it all too well?

Just between us, I remember it (Just between us), all too well

Wind in my hair, I was there, I was there

Down the stairs, I was there, I was there

Sacred prayer, I was there, I was there

It was rare, you remember it all too well
